Course Overview

The General English Program at Orange English College is designed to improve students’ English communication skills and confidence for everyday life, further study, travel, and work in an English-speaking environment.

Students develop their speaking, listening, reading, and writing skills while improving grammar, vocabulary, pronunciation, and practical communication abilities.

Future Pathways

Upon successful completion of the General English Program, students will have developed valuable English language skills to support their personal, academic, and professional goals.

The program provides a strong foundation for further English study, academic pathways, workplace communication, and everyday interactions.

Course Features

- Centrally located Melbourne city campus
- English-only learning environment
- Experienced and qualified teachers
- Interactive and practical learning activities
- Regular excursions and social activities
- Supportive multicultural environment
- Opportunity to study with students from diverse backgrounds

Entry Requirements

There are no formal academic entry requirements for students enrolling in the General English Program.

Students complete a Placement Test during orientation/induction to determine the most suitable class level. Alternatively, students may be placed based on recognised previous English assessment results.

- Applicants must:
- Be 18 years of age or older at the time of admission
 - Bring their own device (BYOD) with internet access
 - Have basic digital literacy skills
 - Ensure their device has camera and speaker functions (refer to the BYOD Policy for details)

Why Orange English?

We are committed to providing a high-quality education that puts our students first. Here are some reasons why you should choose Orange College over others:

Focus on Student-Centred Education

At Orange English, our students are our stars! We use student-centred approaches and teaching methods that foster creativity and collaboration. We acknowledge that students prefer different ways of learning and absorb information at different paces, and we aim to empower our students so they become active learners in their education.

Not Just a Number

At Orange English, our students are not just a number. We deeply care about our students’ futures and education. We understand that studying in a foreign country can be intimidating and we’re always there to support our students on this incredible journey. We are friendly and approachable, and many of our staff members have been on this journey themselves, so our advice comes from both personal and professional experience.

Modern Teaching Approaches

Orange is the colour of freshness. We believe in a fresh and modern approach to teaching. Our teachers use modern teaching methods with the objective to lift the performance of all students, regardless of their starting points and level expectations. To suit the needs of individual students, teachers use a variety of strategies to help students become personally invested in, and take ownership of their learning.

Diversity

We are incredibly proud of the diversity of both our students’ and personnel’s backgrounds. Our students come from all over the world. It is normal to have students from multiple nationalities in each class. This encourages our students to use English to communicate, not only with their teachers, but also with their classmates. Having a diverse base of students also means that our students learn to appreciate other cultures.

Qualified and Passionate Teachers

All of our teachers are passionate professionals who are highly skilled in teaching English. We know how to help our students improve and grow.

Convenient Location

We are located in the heart of Melbourne’s CBD. Just 7 minutes away from both Flinders Street and Southern Cross stations, and 1 minute away from one of CBD’s free tram stops.
