**Nationalities
taught**

- Bachelor of education; Master of Applied linguistics (TESOL)
- The University of Melbourne
- Has worked with 5+ top language centres in Melbourne
- Has worked with students from over 30 different countries

Language is a tool of communication. I enjoy teaching students to use it. It makes me really happy to see how they use English to explore our beautiful world.

HOBBIES

She's both an extrovert and an introvert. As an extrovert, she likes going on trips and playing tennis. Meeting different people from different cultures is important to her. As an introvert she loves baking and reading.

Can teach the following ELICOS courses

GE
